FACTORY AT KITTANNING, PA.

E.G. WEINSCHENK, GEN. MANAGER.

Pittsburg, July 19/95

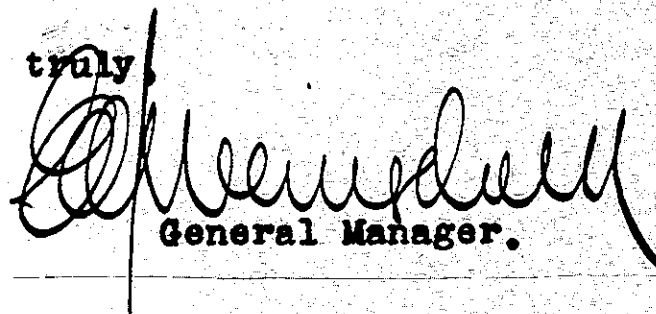

Mr. H.W. Tourgee,

Maysville, N.Y.

Dear Sir:

We shall be obliged to you if you will remit us the \$25.00 due as a balance on the DAUGHERTY. We are just now getting into our own factory and have heavy bills to meet for machinery. We trust the machine is working to your entire satisfaction.

Yours truly,

General Manager.

It is obvious that where the entire writing can be seen, as in the "Daugherty Visible," great facility in executing tabular or specially spaced work is given.
