Dear Madam. Referring to your favor of the 8th. inst., will say that it will cost about as much as a new couch to make this one over. There will be nothing but the frame left and that will not much more than pay for taking it up. All of the springs and filling will have to be replaced. It will cost \$16. to make the couch up in the goods selected. Kindly advise us your wishes in the matter.

Very truly yours
