Mayville, N. Y.

Dear sir:-

We have yours of the 23rd inst., also yours of the 22nd, to the Buffalo Sewer Pipe Co. You did not enclose the sketch, which you say you enclosed, and, therefore, we are not quite certain as to what kind of pipe you will require.

We think it would be a very good plan for you to call at our Buffalo Works, as it is not very far from your town, and have a personal interview with our Mr. Barnum. He will be able to show you at the factory just what we can make, and give you prices, &c.

Yours truly,

New York State Sewer Pipe Co.
