Albion W. Tourgee, Esq.

Mayville, New York.

Dear Sir;-

We are in receipt of your letter of the 22nd of November, accepting our invitation to deliver the eulogy on the late Frederick Douglas. We have about completed our arrangements for the services, which are to be held on the 20th inst. at Faneuil Hall, and I would request that you inform me when you expect to arrive in Boston, and upon what train, so that some member of the committee can be present to receive you, as we desire to entertain you as the guest of the city during your stay here.

Very respectfully,

James L. Hillard
Clerk of Committers.
