My dear Mrs. Tourgee:-

I send you herewith Dr. Tyson's letter to me in regard to the Judge. I trust it may be practicable for you to carry out the suggestions here made. It is plain that Dr. Tyson takes an encouraging view of the Judge's condition. I think it well worth while to have a number of examinations made, say a month apart.

Wishing you all a very merry Christmas, I am,

Yours sincerely,

Chas. B. Thomas
