MUNYON'S HOMŒOPATHIC HOME A PROMINENT MAN TESTIFIES.

REMEDIES.

Munyon's Homœopathic Remedies are radically different from that practiced by the regular school of Homœopathy or any other system of medicine. We have to-day the only true cure for the most obstinate, as well as the most intricate of diseases. The whole secret of Munyon's Remedies is the science of combining and harmonizing all drugs that are known to cure certain diseases, so that by our special combinations we cover every phase of the case, no matter what the disease may be. There is no experimenting, no guess work, but an absolutely fixed law of cure.

They are rapidly superseding all other forms of doctoring, and have the endorsement of the leading papers of the United States, the medical profession, and thousands of persons who have been restored to health by their use.

THE "PHILADELPHIA TIMES" ENDORSES MUNYON'S SYSTEM.

On May 1st and 2d, there were distributed at *The Times* office 10,000 vials of Munyon's Rheumatism Cure, free to all those afflicted with rheumatism, with the understanding that each person should report to the editor of *The Times* the effect of the remedy. There have been received up to date 1,811 reports. From these testimonials and from facts gathered by a *Times* reporter, we find that out of every 100 who have used Munyon's Rheumatism Cure, 96 have declared themselves cured or greatly benefited. There can now be no hesitancy in saying that Munyon's Rheumatism Cure may be termed a positive cure for rheumatism.—*Philadelphia Times*, May 14, 1893.

THE "PHILA. RECORD" SAYS:

One of the most radical innovations the medical world has ever seen has been made by Munyon's Homœopathic Home Remedy Company. All the physicians employed in the institution are specialists of the highest standing, professionally and socially.

WHAT THE PRESS SAYS:

Boston Post: "We know that thousands of people in our midst have been cured by Munyon's little sugar pellets."

Baltimore American: "Munyon's Remedies act almost instantaneously, speedily curing the most obstinate cases in a few hours."

New York Press: "Over 1800 people have written us that they have been cured by Munyon's Remedies."

Washington Post: "Munyon's Remedies are handy to carry, pleasant to take, and absolutely harmless."

INDORSED BY PHYSICIANS.

Dr. George F. Brooks, of No. 15 Tremont Street, Cambridgeport, has the warmest praise for Munyon's Rheumatism Cure. Dr. Brooks has a large practice in Boston, having an office at No. 29 Temple Place for the accommodation of his city patients. Speaking of Munyon's Remedies, Dr. Brooks says: "I have used a good many rheumatism medicines in the course of my practice, but I can candidly say that I never saw a remedy as effective as Munyon's Rheumatism Cure. I gave the sample bottle I got Monday to one of my patients, a lady who has had chronic rheumatism in her limbs for years. Her knee and elbow joints were stiff, and she suffered great pain. Its effect was simply marvelous. Relief from pain was obtained in a few hours after the first dose, and inside of twenty-four hours the lady was feeling better than she had for years. I shall prescribe Munyon's Cure for all cases of rheumatism that come under my care in the future."

Dr. DeGraff, of No. 9 West Fourteenth Street, New York's best-known dentist, says: "I had rheumatism for years, at times so badly I could not stand on my feet. My ankles were swollen, and the least movement caused excruciating pain. I tried Munyon's Rheumatism Cure and found one bottle sufficient to cure me promptly and completely. I also used Munyon's Dyspepsia Cure and was entirely cured of a very distressing and painful stomach trouble."

Dr. E. R. Barnes, of No. 1258 West Avenue, Buffalo, says: "My patient, John Haentges, No. 1329 Niagara Street, suffered from dyspepsia for eight years, with frequent attacks of great pain and tenderness of the stomach. My remedies gave him only temporary relief; but he says since taking Munyon's Remedies he is entirely cured."

A FORTUNATE EXPERIMENT.

Thomas Plumly, of 661 Union Street, West Philadelphia, says: "Some time ago I was passing Munyon's office, on Arch Street, when I thought as a matter of experiment I would purchase two bottles of the cure for dyspepsia and liver troubles for my wife, who was suffering from constipation, pain in the liver, eructations of wind, and vomiting, with sick headache after meals. She was also affected with constant languidness, and was unable to attend to household duties."

"Although having little faith in the remedies, having tried so many so-called cures without avail, she took them, with the most complete success. Since then I have doctored altogether with Munyon's Cures, giving them to my whole family, consisting of self, wife, and three little girls. I have not had a doctor in the house since then, and whenever any of us are ill we consult the 'Munyon's Guide to Health,' procure the remedy, take it according to direction, and presto! we are all again."

Mr. H. C. Carrol, of 3831 Lancaster Avenue, Philadelphia, says: "I was a terrible sufferer from catarrh, complicated with bronchial troubles. I had fearful pains in my chest, my head was stopped up, and I suffered so much that I was frequently unable to sleep. I tried every sort of remedy and course of treatment with unsatisfactory results, and I had to go to Florida every winter. At last I tried Munyon's system. Relief was immediate, and after using Munyon's Catarrh Remedies two weeks, I found myself in better health than I ever supposed possible. My cough has stopped, my head is clear, my general health is good, and I shall be pleased to see any one who wishes to talk with me about my case."

CURED HIS DAUGHTER.

Mr. John W. Mezick, of 631 Dolphin Street, Baltimore, says: "My daughter Grace was afflicted with rheumatism for four years. She suffered excruciating pains, and last week her limbs were so drawn and twisted that she was in terrible agony and could not sleep. We procured a bottle of Munyon's Rheumatism Cure last Friday, and on Saturday, after taking only a few doses, all the pain had left her, and she could straighten out her limbs with perfect comfort. She is so delighted with the effects of this remedy that nothing could take its place. I would rather give \$500 a bottle than have her without Munyon's Rheumatism Cure."

A WAR VETERAN'S STORY.

General A. B. Catlin, formerly Deputy Surveyor of the port of New York, is a veteran of the army and a well-known Republican politician.

"I have been troubled with catarrh for many years," said General Catlin. "I doctored for it a great deal, but did not obtain any material relief, and this winter my condition was terrible. I took cold easily, and my nose became stopped up. I had severe pains across the front of my head, my eyes became watery, I sneezed a great deal, and my bones and joints ached continually. When I got up in the morning my throat was filled with a nasty slime, which dropped there during the night. I had to hawk a great deal, and this made me gag and often vomit. There was a roaring or buzzing sound in my ears, and my breath was very offensive. I lost my appetite, ran down in weight, and became depressed in spirits."

"I tried thoroughly several of the best physicians, so-called, in New York, took patent nostrums of all descriptions, but grew worse all the time."

"Finally, I began Munyon's Catarrh Remedies. I thought it was no use, and had but little faith, but I began to improve right away. My disease rapidly yielded to the remedy, and I underwent a change that was wonderful. Within a short time I was entirely cured, the last trace of the hideous disease had vanished, and to-day my friends are marvelling at the great change in me. It is a wonderful relief to feel strong and healthy again, and it gives me great pleasure to testify that my restoration to health is due to Munyon's Catarrh Remedy."

PRaised BY A CLERGYMAN.

Rev. W. E. Andrews, pastor of the A. C. Church, of Westfield, Mass., writes:

"I wish to add my testimony in favor of Munyon's Homœopathic Home Remedies to the mass that has already been published. I have used the Cold Cure, Dyspepsia Cure, Nerve Cure, and Headache Cure in my family with perfect satisfaction. These remedies are worth their weight in gold. In my family they have cured the worst cases of cold in one day, and dyspepsia of seven years' standing was cured with three vials of the Dyspepsia Cure. I have had very severe headaches, which were driven away in half an hour by the Headache Cure. My wife suffered greatly from sleeplessness, and one vial of Nerve Cure gave her perfect relief. I sincerely pray God's blessing upon the proprietors of such valuable remedies."

HOW TO TAKE MUNYON'S CURES.

There is no curable disease that cannot be cured by these medicines, providing the case is correctly diagnosed and the proper remedies administered; therefore the all-important point is to study the symptoms carefully, ascertain the cause or seat of the trouble, and then give the cures that apply to the particular symptoms, as directed on the bottle.

It is often necessary to give two, and sometimes three remedies in alternation.

That is, a person may have a complication of diseases. They may be suffering with kidney complaint and dyspepsia, or with catarrh and some other disease, all at the same time, in which case they should first take the kidney cure, half an hour later the dyspepsia cure, and half an hour later the catarrh cure, and continuing this treatment until a cure is effected. Discontinue the use of a remedy as soon as the symptoms of the disease for which it is taken disappear, and continue the others in alternation till cured.

Thus you will see you have the key to the true system of administering these medicines. In acute cases, where the patient is suffering greatly, the CURES may be administered every hour, half-hour, or even every fifteen minutes, until relief is afforded. Four pellets for adults, and half the quantity for children. When patients are confined to the house the best effects can be had by dissolving twenty pellets in twenty teaspoonfuls of water and taking a teaspoonful as often as the case demands.

How to TAKE THE PELLETS.—Pour as many as directed into the screw-cap of the vial and then empty them into the mouth and let them dissolve slowly. Never place the vial against the tongue or allow the breath to enter it. Do not pour the pellets into the hand; the screw-cap is made to receive them from the bottle and carry them to the mouth or glass as desired.

A WONDERFUL CURE.

Mrs. May Shutze, residing at 219 South Eighth Street, Philadelphia, tells the following remarkable story of her wonderful cure: "When I began to use Munyon's Rheumatism Cure," she said, "my right hand was helpless and had been so for years. I suffered from rheumatism years ago, and it finally became chronic. The fingers were so contracted that the tips of them touched the palm. I could not open or close my hand, could not sew or do work of any kind; in fact, I was as badly crippled as if the hand had been cut off. Some of the best physicians in the city declared I could not be cured and would never have the use of my hand. I used Munyon's Rheumatism Remedy, and after taking five bottles was completely cured. I can open and close my hand, have full control of it, and can use it as well as I could before I was crippled. That I should again have the use of my hand after so many years seems wonderful, and my friends regard it as little less than a miracle. I shall never tire telling the merits of Munyon's Remedies."
