EASTMAN KODAK COMPANY
ROCHESTER 4, N.Y.

January 10, 1946

Mr. John C. Bowman
Mayville, New York

Dear John:

It was nice to talk with you this afternoon, and it was good to hear that we had been in getting the pictures of you that we need for the article. As I told you over the phone, we are doing one of our Company artists roughly sketched the type of picture we had in mind, and if these pictures are not successful, we will send the sketches on to the Precision Photo Finishing Service. I am awfully sorry that you have been put to so much trouble in this respect. However, I hope that everything will soon be straightened out.

I am enclosing with this letter the copy negative of "Four Poms." You understand, of course, that this is solely for your personal use, and reproductions of the picture are not to be given or sold to any press or publication. I should have sent this to you several weeks ago, but things here have kept me so busy that unfortunately I had the impression that the matter was already attended to.

Once again, let me assure you that I will see that you receive what was the story about you as published.

With best regards, as always,
Bob
