 Dear Mother
 I received your letter of the 15th and was
 glad to hear from you. I am well and
 hope these few lines will find you the same.
 I have not much news to write at present.
 The weather here is very pleasant now.
 I have been thinking of writing you for
 some time but have been so busy that I
 could not find time. I will try to write
 more often in the future.
 Love
 H. T.

Dear Mr. Garrison - I have a great deal to write to you
but know you are so busy that I will not write more than
a few lines to let you know that I am still here and
well. I am in the city and have a great deal of work
to do. I am well and hope these few lines will find
you the same. I am your true friend
Wm. L. Garrison

I have been thinking a great deal lately of the
importance of the cause you are so warmly engaged
in. It is a cause which is fast gaining ground
and I trust will soon triumph over all opposition.
I have been reading a great deal of the literature
of the cause and am convinced that it is a
cause which is destined to triumph in the
end.
