

reasons for so doing - he said - But for all this I would  
 I would not put for anything and that of I regret it affords me  
 how much I think I have been very grateful - I did not think  
 or care much about going - I should have been very glad to go  
 much more than I was - I was sure that I should have been  
 very unhappy - I think Taylor was here a few years ago - this  
 evening a night gave me a big account of the doing of last  
 evening - he was praising them - he said your long program  
 advised and praised - and added much to the experiment  
 of the evening - I am a great admirer of the opinion  
 of don't know if that is spelled right - and tell you of a matter  
 that was in the paper - I think I should have been a member  
 of an institute that a copy of the paper be forwarded to you for  
 long - but Mr. Stewart said no - he said of the paper that  
 you for forgetting his name and writing that which was in  
 the paper - he said I should have been a member of an institute  
 it would have been a great deal better to have had you in  
 the paper - he said I should have been a member of an institute  
 would speak a great paper - I think he will and those that  
 were in the paper - he said I should have been a member of an institute  
 source of it - he said I should have been a member of an institute  
 in the way of his receiving and education and may be  
 have met - I am going to read you most especially if not  
 going to see him - he said I should have been a member of an institute  
 that you had written from that you might come just the way  
 full of it - he said I should have been a member of an institute  
 would not stop at home - and here you had written from  
 have done it - he said I should have been a member of an institute  
 if disappointed that you did not come - for she had  
 the probability of it - he said I should have been a member of an institute  
 with her - he said I should have been a member of an institute  
 of her - he said I should have been a member of an institute  
 he did not come - he said I should have been a member of an institute  
 accident - he said I should have been a member of an institute  
 two or three days - he said I should have been a member of an institute  
 you see - he said I should have been a member of an institute  
 ever since - he said I should have been a member of an institute  
 over - he said I should have been a member of an institute  
 one with - he said I should have been a member of an institute  
 any more - he said I should have been a member of an institute  
 that with great joy - he said I should have been a member of an institute  
 is all right - he said I should have been a member of an institute  
 sure will be realized - he said I should have been a member of an institute  
 fact that will be realized - he said I should have been a member of an institute  
 delight of upon us - he said I should have been a member of an institute  
 if I could put together - he said I should have been a member of an institute  
 beautiful at the right time - he said I should have been a member of an institute  
 laugh at myself - he said I should have been a member of an institute  
 one thing - he said I should have been a member of an institute  
 of the way - he said I should have been a member of an institute  
 great what first of - he said I should have been a member of an institute  
 the other edge - he said I should have been a member of an institute  
 identical - he said I should have been a member of an institute  
 goes - he said I should have been a member of an institute  
 telling me that you had written of my error - he said I should have been a member of an institute  
 right - he said I should have been a member of an institute  
 that the writer - he said I should have been a member of an institute  
 to tell in line with the paper - he said I should have been a member of an institute

or every man - he said I should have been a member of an institute  
 any - he said I should have been a member of an institute  
 young - he said I should have been a member of an institute  
 would - he said I should have been a member of an institute  
 you - he said I should have been a member of an institute  
 the - he said I should have been a member of an institute  
 or - he said I should have been a member of an institute  
 the - he said I should have been a member of an institute  
 line - he said I should have been a member of an institute  
 was - he said I should have been a member of an institute  
 think - he said I should have been a member of an institute  
 for - he said I should have been a member of an institute  
 have - he said I should have been a member of an institute  
 part - he said I should have been a member of an institute  
 expect - he said I should have been a member of an institute  
 else - he said I should have been a member of an institute  
 they - he said I should have been a member of an institute  
 to - he said I should have been a member of an institute  
 about - he said I should have been a member of an institute  
 never - he said I should have been a member of an institute  
 with - he said I should have been a member of an institute  
 his - he said I should have been a member of an institute  
 were - he said I should have been a member of an institute  
 in - he said I should have been a member of an institute  
 your - he said I should have been a member of an institute  
 I - he said I should have been a member of an institute  
 that - he said I should have been a member of an institute  
 it - he said I should have been a member of an institute  
 one - he said I should have been a member of an institute  
 might - he said I should have been a member of an institute  
 upper - he said I should have been a member of an institute  
 before - he said I should have been a member of an institute  
 asked - he said I should have been a member of an institute  
 I - he said I should have been a member of an institute  
 alone - he said I should have been a member of an institute  
 hour - he said I should have been a member of an institute  
 hour - he said I should have been a member of an institute  
 of - he said I should have been a member of an institute  
 eye - he said I should have been a member of an institute  
 have - he said I should have been a member of an institute  
 myself - he said I should have been a member of an institute  
 not - he said I should have been a member of an institute  
 myself - he said I should have been a member of an institute  
 can - he said I should have been a member of an institute  
 (as - he said I should have been a member of an institute  
 before - he said I should have been a member of an institute  
 attend - he said I should have been a member of an institute  
 to - he said I should have been a member of an institute  
 that - he said I should have been a member of an institute  
 grateful - he said I should have been a member of an institute  
 just - he said I should have been a member of an institute  
 I - he said I should have been a member of an institute  
 have - he said I should have been a member of an institute  
 never - he said I should have been a member of an institute  
 not - he said I should have been a member of an institute  
 the - he said I should have been a member of an institute
