Dear Cousin Anne

Cousin Emma has given me the privilege to write to you for the first time and put it in with ~~you~~ here I thought it was quite a privilege she is going to stay here while ma is gone

to Canada that I suppose  
is two weeks or ten  
days I think your house  
will be in order and  
your pie crusts ~~to~~ will  
be very ~~light~~ light  
and nice and she will  
let you have a good large  
piece because she let-  
me have one and your  
shirts will be stich of  
very nice I think because  
Stanzas is a real I guess  
you will live happy to-  
gether if because she

is very peadible here and  
I guess she will be good  
to you if she dont it  
am sure I dont know  
what you will do to her  
but just let her <sup>have her</sup> ~~own~~  
way as long as she wants  
to and <sup>that</sup> she will ~~to~~ be  
good I guess but she  
will keep the house in  
order and make good pies  
and cakes <sup>good</sup> if that's all  
you want her for she will  
do well for I have tried  
her and I guess she will

do as well to you as she  
does to me but don't get  
her one bit because she  
don't like that but you  
must be good to her  
so she can not help being  
good to you from you

Cousin Shattie  
will send you an immense  
girl for the first daughter
