

Shannonville N.C. 6th Nov/60

Sir

Your letter of Dec 5th/59 did not reach Kingsville N.C. until after I had left that place & consequently was returned to me. You doubtless received my letter from Nassau I believe within in Nov/59.

I will at once forward the paper of 4th & let it go to record & also proceed to procure the Exemplification of patent & let that go up for record also & then at our table the necessary steps to prevent the further running of limitation laws.

Thank you the kindness to send me the date of the death of Mr. J. J. J. & be pleased to send me a copy of my contract with you. I have either lost or mislaid the memorandum of it that I had.

Very respectfully yours

J. L. J.
