

cause you to exhibit for the reason
undoubtedly as regards it.
On the other hand I did not mean
what I said, I said anything
I cannot get well understood I did
or not. I would not a well girl, yet
would not forget what I asked an
woman, and keep you by me. I
you, should think I'd like to get
I should think, your conduct would
you, but I never to see, and I
said you seem to me something
and I'm sure I should be sad
worth of children betrayed, women
of night. I'm sure, recently
I'm not sure that what you
been, never been. I'm glad, but
that reality called, what dream
to you. It's not a man, I'm
very foolish and weak. Forgive
me Love - All by not do so more.

Can I ever do right, can I ever
be worthy of a woman's love. I'm
almost (both) and I shall lose it
all. What I have almost lost it
I cannot get well understood I did
already - I'll do one
or not. I would not a well girl, yet
I believe I am los-
ing my reason entire.
Do not let that of long ago trouble
you at all, my own Love. I did
not let it let cause a thought of pain
to you. I love you more than I
love more, than I did then and
you would not have one poor
as there -
I bid this messenger go to you on
the wings of the wind, yet something
whisper "Go Love to the Emma"
I'm not sure I do
I can ever help a man, lover, husband
