

Dear Annie, I received your letter
but thought it not so easy to write
a gain as you had written and you
all the information you wanted
You can stay, but you trip with
Cott to as long foot makes but no
with this work, every other week it
makes three, it remains in Ouel
from. Saturday morning until Monday
night. I do not know as we can
get a boat to the Cott where you
will be do you need not expect
him for you - He will if we can
his time - Action and Odger
came Wednesday night. Mrs Lewis
will be here to night when you
come home - which must be next
Saturday - The cherries are ripe
and nice and you must come
many and get some - Make eggs
don't forget her sail - in Buffalo -
Bye with dear little
love

Argie
