

John C. Calhoun

and I am pleased to inform you that

of North Carolina, by virtue of the

body of the same, that you will

set off to the State of Texas and Brazil

carrying thither the sum of one

hundred thousand dollars, to be

paid in freely authorized and

at his discretion and convenience

(one hundred and fifty thousand)

and should he become the possessor

take a conveyance thereof to him of

or in office which shall not exceed

of North Carolina all the benefits

and privileges and franchises of

the State of North Carolina.

And further enacted that

such purchase as aforesaid may

be made of national property

in the State of North Carolina

all grants and leases

and other rights

and to whom
belonged our debts
and expenses of paying the sum
of stock as aforesaid, and to whom
the debt entitling each to the same
sum is paid.

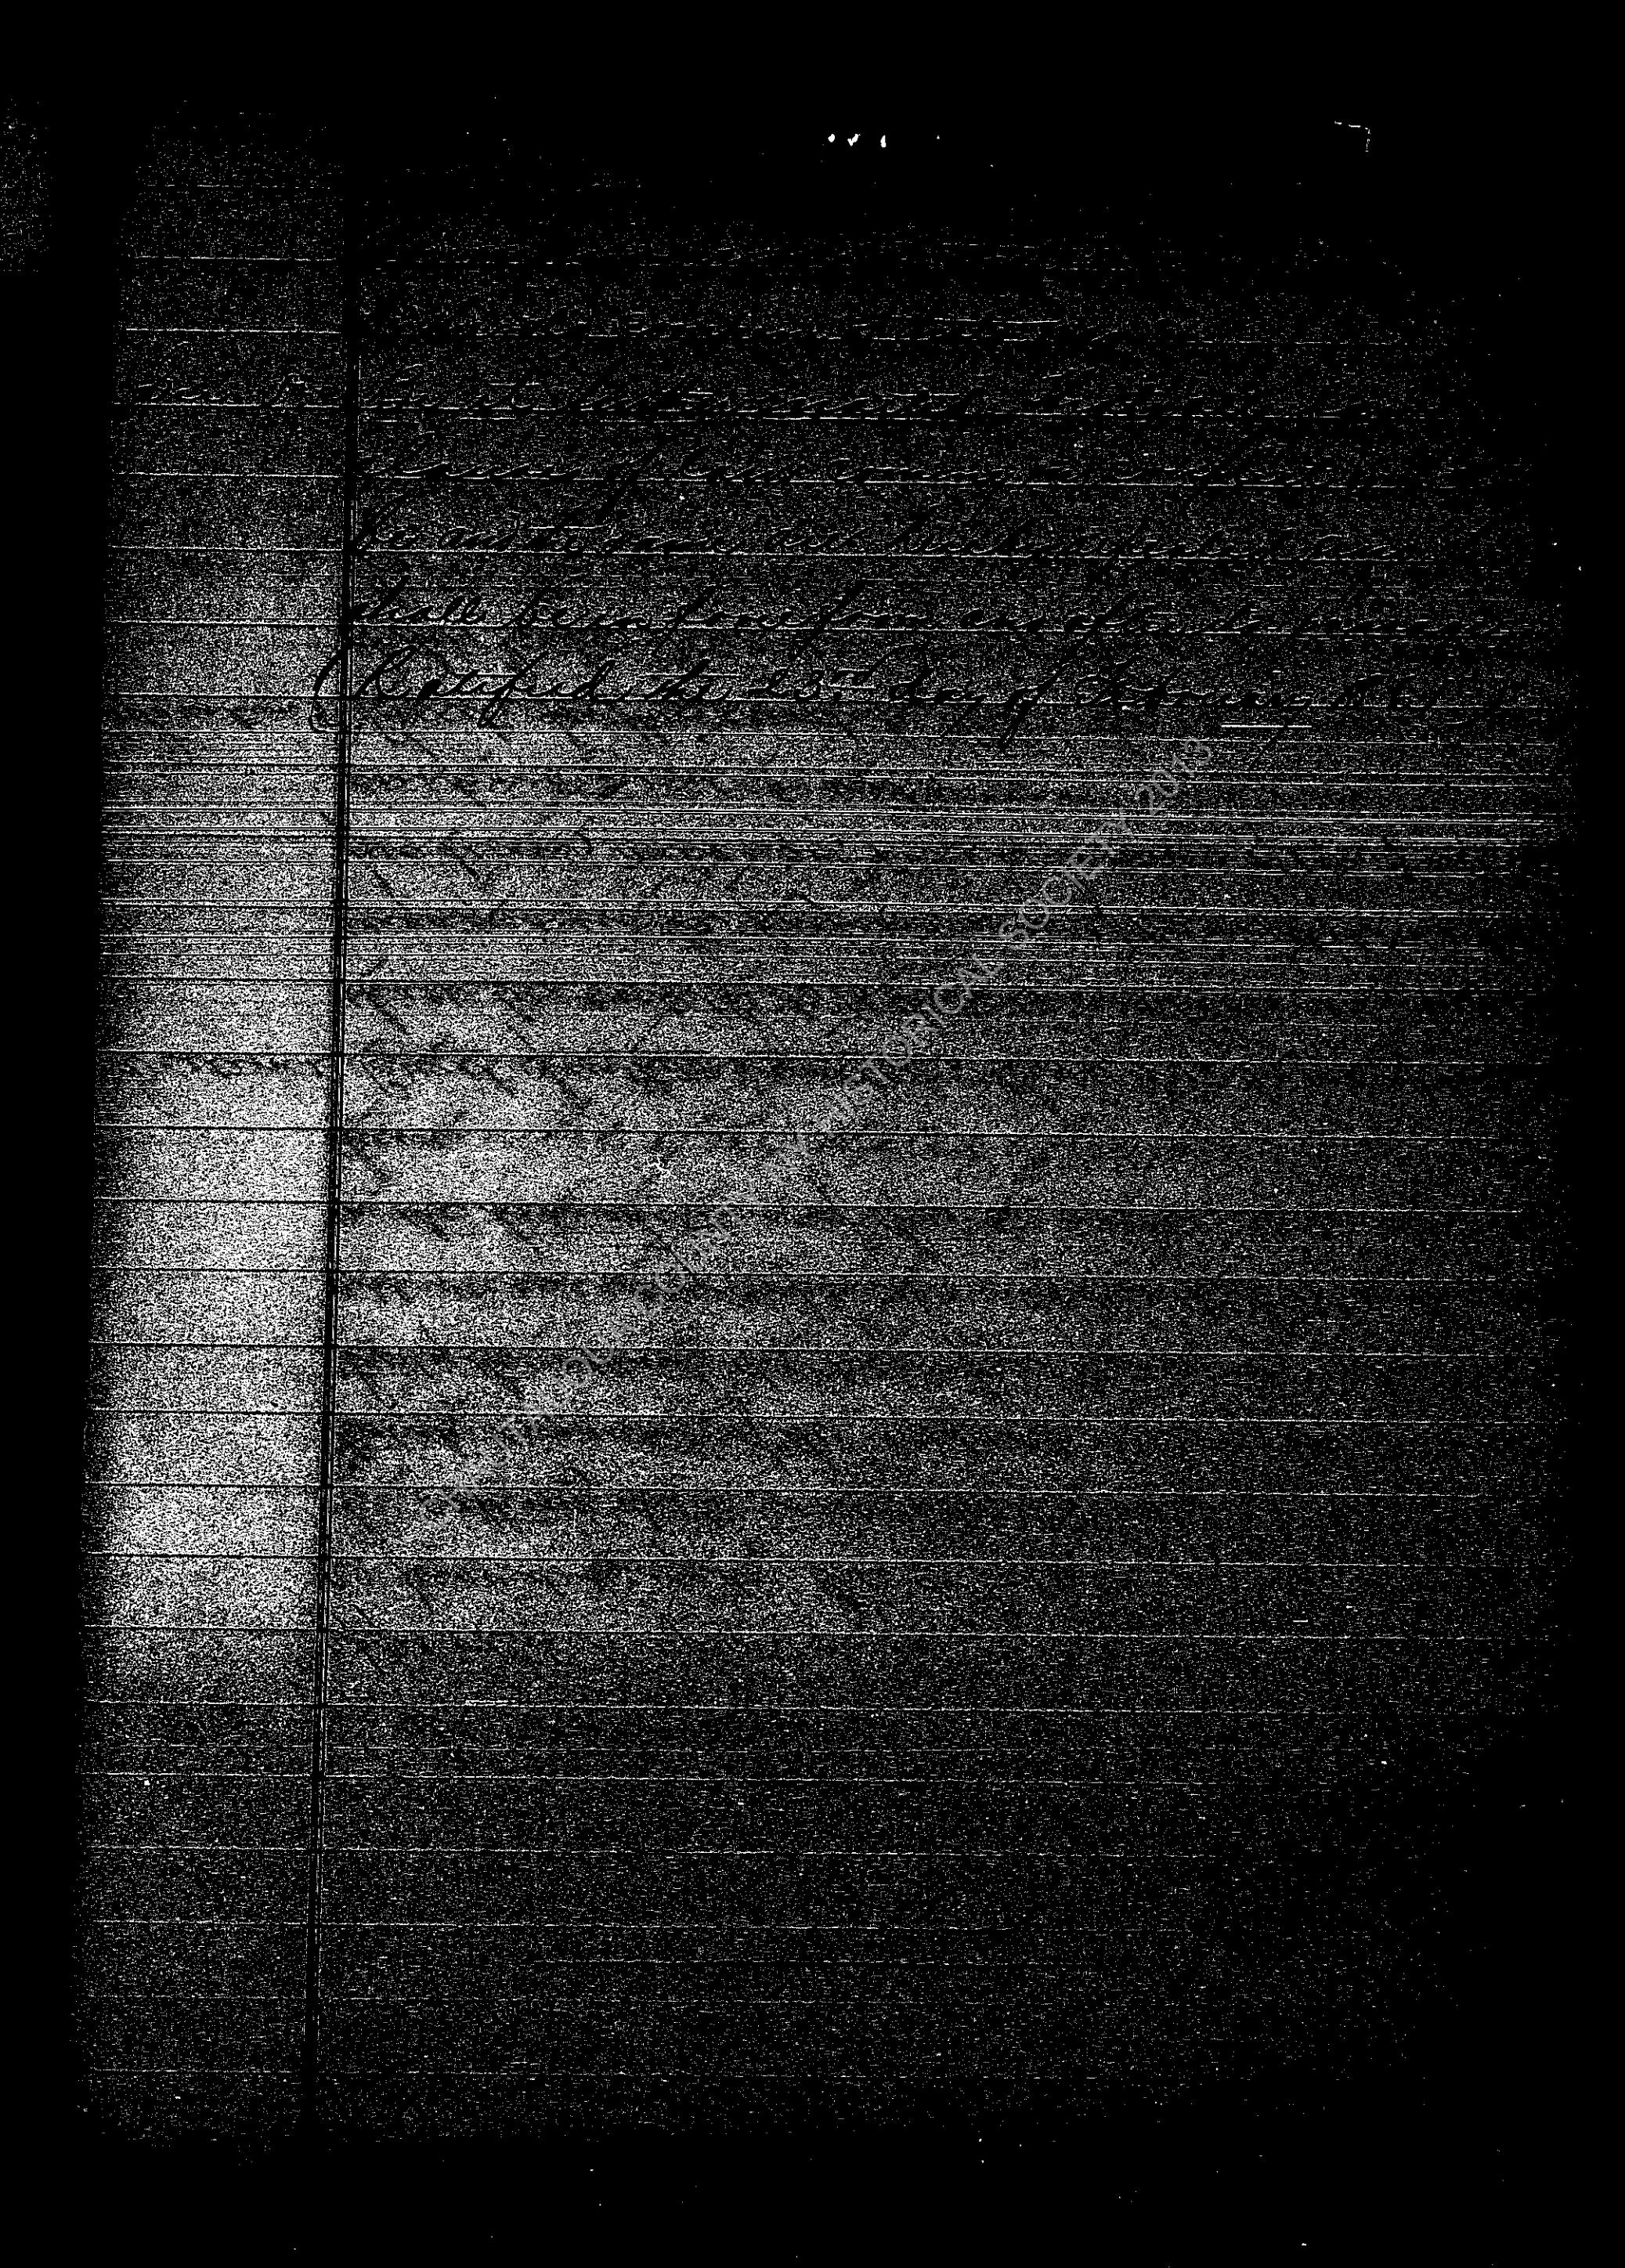

Sec. 6. Be it further enacted, That any person
subscribe for stock to be issued by the
Company, and shall be entitled to receive
for its share the sum of one hundred dollars
in the preferred stock of the State.

Sec. 7. Be it further enacted, That any person
in the Cape Fear and Deep River
Company, shall be entitled to receive from
the government a certificate for one
share of stock as he or she may
have in the said Company, also if H. H. Moore
or labor done or to be done
according to their present contract
of sale, and will have the same
be entitled to receive
for his or her services
one hundred dollars.

and a sum
of money or credit
and payment of the
same to be made at the
time necessary or upon the
termination of the
lease.

Section 3. Bridgeman's encashable bond
shall be entitled to the same
engaged in the business
for him, mileage, & so much
as his services may
be required.

Section 4. Bridgeman's encashable bond
shall be liable to be paid
to the amount of his
services.

authorised to transport coal
from coal depots in the interior
of the Republic, provided that
such coal shall have been shipped
by Cape Town River and steamer
to mouth of Groote, backland
or inland, prejudiced to the rights of the
Sea Navigation Company by
Cape Coast.

Cash advance by means of
old Consignment, or otherwise
the before-mentioned Navigation
Company shall have the right
to inspect and take the coal
in such port and to demand

to complete the program of internal improvement
whatever it may cost, and that the same
as well as external shall be done
work should be carried on in such a
fashion as will to give the effect of a
general act to permit the interest of a
number of the citizens of the state, which

Sec 1 Be it enacted by the General Assembly
of the State of North Carolina, as follows:
That by the authority of the same, that
stock of the Cape Fear and Yadkin River
Company may be issued to the sum of
one hundred thousand dollars.

This image is a high-contrast, black-and-white scan of a textured surface, likely a book cover or endpaper. The surface is covered in fine, dark lines and patterns. A faint, diagonal watermark is printed across the center of the image. The watermark contains the text "Digitized by the Internet Archive Historical Society 2013" repeated several times in a slanted, overlapping fashion.
