

What matter I have found
I have prepared in and I am
I am prepared with the
I do not think that
it could possibly be
the successful result of
any of the former
and that I am
fully prepared to
be ready to meet
them that some
of the things
which I have
found in the
course of my
researches
I have found
that the
people of
this country
are not
generally
interested
in the
history of
their country
and that
it is
necessary
to
bring
it
before
them
in
some
manner
which
will
attract
their
attention
and
excite
their
interest
in
it
I
have
therefore
prepared
this
book
in
the
hope
that
it
will
be
of
some
use
to
the
people
of
this
country
and
that
it
will
bring
before
them
the
history
of
their
country
in
a
manner
which
will
attract
their
attention
and
excite
their
interest
in
it
