

Wettable March 6, 1862

My Dear Brother

just a word this morning
in school and with special
excuse; but in my story I have
succeeded in finding you a
boarding place - Mr. Monms people
think you can come there if
you wish to - that will be very
near the office - I do want you
to come to town for it does
seem I shall have some one
to talk with -

Yours Sincerely

Wm
