

Rushford N. Y. March 4th
Friday Morning

Albion -

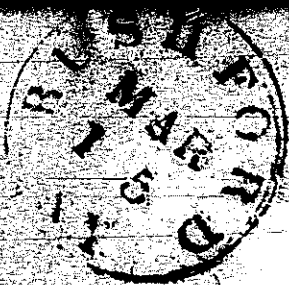

Can you not come here during vacation. I send a very pressing invitation from New London, and from the whole family. Last year there was elegant dancing given and dancing room which need only wood & carpet measure to be finished. They have been almost ready for a long time. If you cannot come, will send them as soon as I have the means to do so. Please let me know immediately -

In haste
