

Willoughby, O. June 30th 62
Monday eve.

Why! Emma you are growing a
very naughty sister. You do not treat me well
at all. Nine long weeks you have maintain-
ed this unaccountable silence!! Are
you sick, dear? Or have you broken
your engagement with me? Nearly every
nine weeks since our acquaintance
began, you have sent me three letters!
Now just imagine how my heart
is grieved, and how it hungers for the
refreshment you can give. Please do
not leave me longer to imagine all
horrible contingencies, but send me
a few words.

Yours till I am my husband's
