My dear friend  
I hope you are well

I am very glad the project will  
be a pleasant one and  
I hope the Lord will  
be your guide in all things.

The order for the paper  
department came Monday  
and has been sent to  
Cincinnati and forwarded on  
Friday. Had I not been  
in Raleigh as there it may be  
when you come back if you  
are in the money. I am glad your  
travels were uneventful. I  
did not get a supply of writing  
paper. The paper and envelopes  
you could find in  
Cincinnati. I hope you  
will find it all good.

I hope you will find it all good.

I hope you will find it all good.

I hope you will find it all good.
