Mrs A. W. Tourgee

We are all well
& I do hope, you and the rest
of the good folks on the excursion
are the same. I have not heard
a word from Greensboro since
I left it. & I am very anxious
to hear from there for I think
it is very strange that A. W.
T. did not write to me from
Philadelphia or Pittsburg for
he certainly went through those
places. I left word at both
places. But I suppose he is
at Greensboro now. & I want to
know what the Rebs have to

As soon as I hear from Tourgee I will send
these letters to him. I don't know how to send them

Say about his Breathing Vital
Air as free as any one). I have
faith in Mr Torgue as well
as some other folks. far he has
one little friend and his name
is James W Sampson Erie
it is now dark & my sisters
are waiting for me to go
up Town to Church with
them so good night, Oct 10

Oct the 10th

I have been

All day the first ones named
was Angie the next was
Traps. They all seemed very
much pleased to see me
Mr Gray was up when I got
there but he can't go to bed
for he is still very weak
But on the second very fast
Mrs Gray was looking first rate
feeling well she has had a good

Deal of work to do as Mr Gray
was so sick for so long & she
had to do all the Marketing
herself. it is no wonder that
you did not hear from her for so
long a time. You need not say
anything to Mr Kilborn or any
one else. But I think Mr Gray
will live in Guilford this
winter from what he said today
if he can get market for his Drove
& other produce. Tomors is
Election day at Erie & I think
after Election that a good many
Yanks will emigrate to the
(Grand South) I have made
up my mind to go to school
to Angie Kilborn - I remember
twice to day & the Principal
of the High School. I had a
long talk with them both

If you have not write in mine since I left - in case you
want to do as I can hear from these please send back
1910

I think I shall start sometime
this week for school. I wish
an I get schooling enough I shall
make myself known in Greensboro
I saw G. W. Groff to day for
the first time. I did not have
much talk with him as he was
busy measuring lumber.

I called to see Clark Odo
but he had gone to Michigan
to College. Ship King
is still at Erie? Fred
Denmore, but I have not had
much time to talk with him
yet for he was practicing his
horse for Trotting for the Fair.

Mrs & Mr Groff sends their
best respects to you all.
I hope that you are all
well at the Nursery & I
hope that Mr Tourgel
is at Greensboro & take a care
from yours Truly
James W. Sampson
