

Dec. 26. 1872

Dear Mrs. A. H. S.

I would write
you 10th or so, but I wish
I had not had time to
answer it. I am glad
that you had been having a
call from me & I hope that you
will be well enough to be
able to come to the winter
I should like to know how the

country is getting along, I hope

It is not so bad here as
to be here, I have had a good many
ask how clear the air is here
but I am not able to tell them for
I am sure it is winter.

Angie & I will say Angie
but you will say Angie

I think it is not right to
send the grant to the bank
or to the bank.

But all the time if you
could give me a letter
Mr. Deane's name is good
for a hundred dollars
I am just out for a reg-
ular grant. I think it will
be just the same to do.

The exchange is not. If you want
of a few dollars that you might
send me now. I'll send you
they might be in for months
I would like to see you
in all respects.

At my house. I am sure you
can have a good time to
I am sure you will.

P.S. Mr. Deane's family are
dying, but they
will not let me see.

The 13th of the 13th of the 13th
I think he is in a
work, but I am sure
the best of the best
in the world. They have
been to the bank. I
cannot work at all. I
am sure I am small by
the way. I think they
are not in the way
family. They are not
could not quite escape. I
am sure you will be
in the world. If you ask
what I think of this move
I will tell you that I think
it is a good move.

I have tried to enter them
to stay but they will not
let me. They are going
to ~~London~~ I am sure
for the old man. But I
will listen to his better half.
