Friend Turgie -

I am in receipt of your paper of the 5th. Your article is a good one - Can you send me half a dozen of this article, slips, or papers - I send article from the N.Y. Tribune - In case you publish it can you send me a dozen or more slips to throw about as occasion requires; When you get out any thing on this subject or can pick up any thing from the Southern Press, I would much like to have you send it to me, & to Henry O. Rulley Esq 24 Pine St. N.Y. - We will do the same by you -

The article I am preparing will appear in the Great Republic a week from tomorrow - I will send you at the earliest opportunity - Perhaps it would not disgrace the columns of your Paper if published by installments - You will be able to determine that however when it appears -

(\$10. Do you get it?)

Very Truly & Cordially Yours
Samuel Johnson -
