

State Republican Headquarters,

Raleigh, N. C., May, 17th 1868.

My dear Wife: I cannot resist
the temptation to go. Some one must
go and there seems to be no one
else to go who could do anything.
I think we must go but
I shall not go to the Chicago
affair. I shall try and get
around to the folks in Ohio and
Penn. but not Sunday.

We go tomorrow morning.
We prefer to go politically.

I have engaged board
for you and myself at \$35
per mo. each. Mr. Welton at
same house and rate.

Yours Respectfully

A. W. Sargee

You will receive
a check for \$200
from Sam Littlefield
for expenses. Use
carefully. If you want
anything such a
note to holden I
have made arrange-
ments with him.

Albin
