~~Dear~~ Judge I want you  
and Gov Holden to have  
me some instructions to how  
to organize a club of free  
grant and calves

I do think it is time that  
we begin taking some steps.  
I see the other party is going  
to work and doing all they  
can for the B. & B.  
party that I know how to  
have 2/3 of our men in this  
place. Some of them  
said that they can get  
money to start any <sup>way</sup> they  
want just as easy as  
they got with us to  
get that person for R.  
Lindsay to hold the paper

Please send a constitution  
at once and if you think  
that is necessary that I should  
know the quantity let me  
know and we will be ready  
I for one

Yours  
Mrs. Moore at present  
My wife sends her love to you  
and Gaddy and the husband of  
Mrs. Hagin

Yours Respectfully  
Wm. A. Moore
