Asheboro N.C. Aug 7th 1868

Hon A W. Tourgee
Raleigh N C

My Dear Sir

The Republican Party will hold a great mass meeting at this place on the 29th Inst. — We expect a grand Rally, and I am directed to ask you to be present and address the people on that occasion — We will make ample preparation and expect a very large Crowd — I think, perhaps just now you can do more good than almost any body else

Permit me to hope that it may be both convenient and agreeable with you to be here — Please address me at once, — If you can bring other speakers, with you do so. — We are striking for a majority of 1500 for Grant and Colfax in Randolph.

Yours Truly
