Judge G. W. Purque

Dear Sir,

I understand that you are a candidate
for Congress if your friends nomin-
ate you - or in other words you
will accept the nomination by
request of your friends - I desire
to hear from you upon the matter
as I am daily worried for infor-
mation by your friends - if
you do go to Congress who do
you think will take your
judgeship - I understand that
you did all you could to secure
Charles Wright and myself a
situation and the road for which
you will accept my thanks for you
will never be forgotten by me for they
that favor the poor will get the vote of
the poor - we need you here bad, ~~there~~
are losing confidence in our officers
because the changes on the Railroad
has not been made - who is to be appointed
mayor of Greensboro, Tom Hugh or A. Caldwell.

Yours friend J. K. Curtis
