

Greensborough N.C. Aug^t 11th 1868
Judge Burgee

Dear Sir

Please inform me whether
there is any provision made for granting Yeas Allowance
to widows, will there be any courts this fall?
I was requested by a colored man to say to you that
all necessary preparations would be made for the Mass
meeting now that Jesse Crane said his purse would
be open & his flag at their service.
I have some but little in the office as yet and
although I have professed neither of the old clerks
have their dockets completed ready to turn over to
me they will shortly.)

Very respectfully yours &c
