Judge W. S. Sawyer,

My dear Judge,

Your favor is rec^d. I am obliged
for your answer to my letter though it did no good. Send me
over how much stamps to remit, for my books and I
will forward them. Hope you will get out a few
forms for the new laws - the lawyers down here are
screaming themselves hoarse over the Code commis-
sioner's Report. What you worried? We are all
alive here & mostly, well. Who can issue
a Marriage license. The County Clerk has done
it so far, but he will stop on Monday & I know
of no provision - We don't get half the laws
after they are passed.

Yours truly,

J. H. Mann
