

Prompt attention given to the collection of claims in Western Carolina.

~~J. HENRY,~~
~~Attorney at Law,~~
Solicitor in Equity.

ASHEVILLE, N. C. Aug 20th 1868

Dr Sir

I thank
you for your kind let-
ter of a recent date -

You said you would
forward me with that
mail the "Codes of Proce-
-dure" - I have anxiously
looked for and expected
them but they have not
come to hand. Will you
be kind enough to en-
-close them together
with any other docu-
-ments that you may
regard as useful to me
in the approaching Fall

Term of the Court.

Remember I am
a long way from the
"Centre" up here in the moun-
tains, with only a tri-weekly
mail, and one half the
time totally ignorant,
for want of information
which you gentlemen
there imagine so easily
obtained, but which I
never ~~find~~ get here except
in unintelligible reports
of proceedings in the papers
which no one can make
out. Our papers have
been exceedingly remiss
this summer in publishing
full reports of acts passed.

It will be a great
kindness to me, and a
favor which I hope to
be able some time to

reciprocate if you can
find time to attend to the
above request -

I am very truly yrs
