Dear Sir,

Will you have the kindness

to let us know at your convenience what legal work
or forms under the procedure Code of New York
& those of the North Western States, you would advise
the members of the Bar of this State to purchase.

W. Abbotts forms & pleadings, as well as Jefferys
& Smiths New York Practice are commended; as you however
are more familiar with the sources from which our procedure
acts are deriving, we will thank you for your views
as to what work will be most useful to us.

Very truly Yours
