Dear Friend in Answer to your
Letter When I got the Work
Changed in the Back Part
of the house I see that
it Was going to Cost More
to Save the Oak Finish
than it Would to Put
On a good Enamel Paint
and the Enamel Paint
Would look Better than
To try to Fix the Oak
I have saved the Room that
had the Maple Finish
And the Bath Room
And the Vestibule And the
Rest of the Rooms I Painted
One Coat of White

Have You Select some

Like And that Will
Make it Easier For Me
And I Will the Color

The Cost Should be
the Price Should be ok
Not Over $3.. Per Thousand
for the Quarter Sawed Will
Cost $65. Per Thousand
Lath and I Thought it
Would be Better to use
the Plain Sawed and
I would like your Opinion
I Want to have Every thing
Satisfactory

Yours Truly
