My Dear Mrs. Tourgen.

Your favor is received, and I hope that the list of mortgages submitted to you will be satisfactory, with one exception. I will therefore have the assignments and guaranty executed, and will send you a complete list after investments, therefore if you will send me a check on the Natl. Bank of Westfield for the \$5000, I will arrange with Mr. Skinner, when the papers are ready, - we have just had a heavy fall of snow. Very truly yours
C. R. Cipperly, Cashier
