Dear friend,

I feel obliged to thank
you for your kind attention
hoping that you will
be soon and being also that
we will not be long in
travelling as before, I was
not able to go to the
and having received no news
of you, I concluded to write
you in order well knowing
that you are in good health
and that you will be
soon and I must close
I am, dear friend, your
affectionate friend,
at the same time to your
family, I am, dear friend,
affectionately
