My Dear Mrs Tourgee — Your letter is just received = enclosing the check $5000 = I am writing Mr. Skinner giving him a list of the mortgages which was submitted to you = I note that you wish them assigned to the daughter Aimee L. Tourgee. will also make out a guaranty from the bank and will put them in one of the safe-deposit box in our vault. So you can examine all the papers here when you come to Mayville again. I was in the house to day — the plastering is all done — and painters — and plumbers are at work. it is going to be very nice when finished —

Very truly
C. R. Cipperly
