Dear Mrs Saugée

I have been waiting to
get your address from the
files at Mansfield in order
to write & thank you for
the work you sent me viz
'The Magnetic North', it
was very kind of you to
think of me, thank you
very much -
Yours with love & regard

have passed many completely
collapsed, the beginning was
when you were here -
I was obliged to take her
to Mandrean reinstab her
there in "Caritas" as before.
I hope to see her home
again early in May, but
undoubtedly she will have
to leave again at the end

of Sept. - I was sorry to hear
that Miss Laungée was not
at all well, but trust that
she has now recovered -
I was much interested &
touched by reading the newspaper
accounts of the funeral of
the Judge's ashes - it must
have been a trying ceremony
for you -

With kindest regards to you
& Miss Laungée

Yours very sincerely
