April 9 1885  
Dear Friend

The "photo" of yours  
was received in good shape  
I was so nice of you  
to send it, the features  
are the same but I look  
for the smile you used  
to have, which of course  
I do not see. I think  
it would be a good  
idea to have a "well

If you have your seed  
now I have your  
seed I received  
it, the weather here  
is now cold & stormy  
so much like  
& so cold is waiting  
for the warm weather  
to come

Yours sincerely,  
Charles Taylor.
