

My dear Mrs. Torgue,

Mr. and I have been looking
for you in Mayville for
some time so that we
might make some definite
plans for the summer.

We are anxious to get
settled and think we
would like either one of
the lower apartments in
your house. We are not
decided which one as
yet but if you could
let us know something
definite about them we
would be very glad to know.

Will there be any difference
in the price we thought
there might be as mine is
smaller than the other.

Hoping to hear from you
soon. I remain

Very Sincerely Yours
Mabel Pope-Leland
