Dear Madam:- Your letter of the 22<sup>nd</sup> at hand and in reply will say that I have been trying to sell the two stones to a party that are looking for some-thing of the kind and should they decide to take them I shall certainly make it right with you if this party does not take them when ever I do get a chance to dispose of them will let you know should I get any more for them then what they will cost me to have them refinished

Trusting this will be satisfactory
