Mrs Emma K. Linger

Mayville Ny

Dear Madam

I was more than pleased to read Adelant's address on the evening of my honored friend of many years

Judge Eben K. Linger, and was so sorry, which I intended to do attend the services yesterday at Mayville. Sickness compelled me to stay at home. My father was ~~an~~ a Union Officer and buried with all soldier's honor 6 years ago. was not able to attend these services here which I have always done in the past. The kindest wishes to you from your husband friend
