Mrs. Emma K. Tourgee,
Mayville, N. Y.

Dear Madam:-

monument.

Many thanks for the photograph of the Judge's [^] It is beautiful. I hope to, in the course of a week, have shipped to you, for use on the grounds about the monument wherever you may decide, an iron bench or garden seat properly labeled. The money (\$8) collected at the recent race conference, and possibly a trifle more, is being devoted to the accomplishment of this. In addition to this, I have two contributions of five dollars each, one from Mr. F. L. McGhee of St. Paul, Minn. and the other from Hon. Geo. W. Hayes, Cincinnati, Ohio., which I have practically decided to use in the purchase of such, trees, plants and bushes or whatever else in that line it is possible to secure with the sum, that you might suggest. If you have in mind something other than the things mentioned, do not hesitate to write me please. The bench or seat idea is a splendid one and our local ministers are delighted with it.

Trusting you and Miss Tourgee are in excellent health, and with sincerest best wishes, I am,

Yours respectfully,
