Dear Madam:-

Your letter of the 2nd received. Many thanks for the enclosure - the poem and etc. I shall be very glad to receive by return mail a copy of the paper containing the best account of the dedicatory services May 30th. I have not seen any account of them and such a publication is needed. Shall make the corrections in the poem as suggested. I have written Messrs McChes and Hayes relative to your suggestion of an urn instead of trees, plants and etc., and am sure that they will willingly accept it as I do. Many thanks again. Will you please send me the address of the person who sent one from Philadelphia for my people of that city? Shall remember your suggestion as to the color of the urn we shall send.

Yours respectfully,
