My dear Mrs. Tourgee:-

Before leaving for Europe, my mother read your letters to me regarding your proposed memorial library and requested that I correspond with you.

Before making any suggestions or preliminary sketches, we should know something of the surroundings? Have you any definite location in mind? If so, are there any buildings adjacent and of what character are they? Have you any particular style of architecture in mind? With this information, we can furnish sketches and plans more to the point than if we followed our own ideas alone.

We will be very glad to aid you in every way possible and as soon as the present rush is over we will incorporate your ideas with our own and make some preliminary sketches.

Very truly yours,

D. W. Scofield.
