Mrs. Emma Tourgee,  
Mayville, N. Y.

My dear Mrs. Tourgee:--

Yours of June 26th awaited my attention on my return to the office. As I am anxious to get the publications of Judge Tourgee's for my personal library I will include the Judge's portrait to illustrate his sketch in my work if you will present me with two copies of each of his publications free of any expense to me. If this is agreeable to you please express to me immediately ~~the~~ the steel plate so it may be rushed to the printers to be in time to illustrate the sketch of Judge Tourgee, which will appear in Volume four.

I am not particular about his minor publications or his Law publications but I would like to have as complete a set of his Novels and other chief publications as it is possible to procure.

Please telegraph me, night message, on receipt of this whether I am to expect a portrait of the the Judge with out delay, otherwise it will have to be omitted.

Yours very truly,

*Charles Van Noppen*

P.S. Please return the vst. recently expressed to you when you are thro. with it.
