Mrs. A. W. Tourgee,

Mayville, N.Y.,

Dear Madam:-

Replying to your recent letter regarding overcharge, would say that we enclose letter written by Mr. Bromley who is the clerk who made the sale to you.

We charged our best prices on the goods which you bought in the store and these prices are the same as we would sell them at to people here in town. We always charge for fittings and labor used in connecting up these heaters, and you can readily see that we would be unable to go out of the city and do this work without any charge. We are very sorry that the first man did not do the work satisfactory but we were, sure, he was perfectly familiar with this work or we would not have sent him. Our men being busy, we were obliged to go outside and procure men.

Yours respectfully,

Clark Hardware Co.,
