Mrs. Emma K. Targie
Mayville N.Y.

Dear Madam-

Kindly pardon my delay
in replying to your esteemed favor
of the 10th inst.

With reference to the question in
hand would ask if you apparently
are not overlooking the fact of having
offered, during the first evening we
called, to rent us the apartment on
a year's lease at \$16⁰⁰ per month.

At the time I felt this to be more
than I could afford to pay, for the
reason that we would have no veranda
for use during the summer, nor a
fireplace in case of a cool day or
evening, requiring a little warmth, when
the benefit of the furnace would be
neither available nor convenient. However-

you having been very courteous, there is
no denying the fact that we desire
to become tenants of "The Horheim" and,
rather than disappoint Mr. Nelson, have
reconsidered and would agree to rent
the apartment for one year from date
of occupancy at \$16⁰⁰ per month.

Kindly advise at your earliest
convenience if this meets with your
approval so that I may proceed
buying the furniture required while
here in Grand Rapids.

Very respectfully yours-

Fred A. Nelson
