*Dear Madam -*

*I am indeed indebted to you for the favor of your prompt reply of the 16th inst. and it goes without saying, both Mrs. Wilson and myself are greatly pleased at its contents.*

*If I remember correctly, believe you told me that you expected to leave for Washington about Feb 1<sup>st</sup>. We expect to return to Mayville during the early part of next week, at which time we will call and arrange for occupancy of the apartment.*

*Again thanking you for the courtesy shown us, believe me,  
Very sincerely yours,
