Mrs. A. W. Tourgee,

Mayville, N. Y.

Dear Madam:

We have your communication of recent date instructing us to send you one Elastic bookcase on approval and while, of course, we will be glad to send you the case on these conditions, we are unable to tell from your letter just what units to send you, and we request that you refer to pages 52 and 53 of the catalogue we sent you where you will find both the inside and outside dimensions of the various units, and advise us just what units to send you.

For holding books 13 x 10 inches you would require one of our E 13 1/2 combination units, which is 13 1/2" high and 12" deep inside, and on top of this unit you can, of course, place some of our smaller units in the D size.

Kindly let us know what units to send you, and in replying also kindly send us remittance covering the amount of your order, or furnish us references upon which to base an account. Upon receipt of either of the above we will make prompt shipment of the order, prepaying the freight, and if upon receipt the cases are found

not satisfactory they may be returned at our expense, and in the event of your having paid for the cases the amount will be refunded at once.

Awaiting your further favors, we are,

Very truly yours,
