Dear Mrs Power's,

Your letter of a few days ago
has reached me and in reply I would say
that in view of the fact that Mrs Capperly
has not seen fit to recommend to you Dr.
W. S. Kemmer 361 Pearl St., whom she con-
sulted for her son some years ago, I would
suggest Dr. F. W. Hickel 581 Delaware Ave.,
Both are competent men in their line. If I
can be of service in making an appointment
I hope you will command me. Daisy sends
her love to you both and hope to see you
while you are here.

Sincerely

W. H. Chace,
