Dear Madame:

We beg to acknowledge receipt of your favor of the 28th ult., and also Money Order for 75¢ for which accept our thanks.

With reference to your typewriter, beg to advise that we can put the machine in first-class working order; cleaning and adjusting same, and supplying such new parts as may be necessary. We could not give you an estimate at the present time, but on receipt of the machine could submit estimate before going on with the repairs, if you so desire.

Thanking you for the inquiry, and trusting we may be favored with the order, we are,

Respectfully yours,

Buffalo Typewriter Exchange.
