My dear Mrs. Tourjie:

I have your favor of the 10th inst from Mayville.

For a small edition of "Button's Son" I should provide \$150. for 500. Much would depend on the style of binding.

Possibly W. W. Otis Son Buffalo would get it up & take charge of the sale at Chautauqua Lake.

Abby's address in Buffalo is Mrs. H. C. Palmer, 94 St James Place

St James Place lies between
two converging parkways
& is reached by the
Elmwood cars.

Of course Abby would
be very glad to see
you at any time.

She has found many
pleasant acquaintances
& enjoys her situation
excepting only the windy,
biten, biting winters.

She misses the sea
air.

Very truly
Geo. S. Stulberg
